Having to perform maintenance on any appliance can be terrifying, let alone a vacuum cleaner. The reasons for needing maintenance are many, but over the years the chances of something going wrong increases. Keeping your DC47 up to date on maintenance by using genuine Dyson spare parts will allow you to go many years without fear that something bad will occur. Don't waste time trying to decide if you can make do with a generic part. Using any parts not made by Dyson will void your warranty, meaning if anything else should happen down the line, you will be completely out of luck. Furthermore, you never know what kind of quality you are getting with a generic, off-brand vacuum cleaner part. Unlike other parts manufacturers, Dyson engineers its genuine Dyson replacement parts to the original manufacturer's standards. This means each genuine Dyson spare part will be identical to the part that it is replacing, ensuring that it will be a perfect fit for your Dyson DC47. It also means that all of your genuine Dyson parts will be of a consistently high quality, so you won't have any weak links in your DC47 vacuum. WHY YOU SHOULD ORDER DC47 PARTS FROM VACUUMDIRECT.COM VacuumDirect.com is an authorized Dyson parts dealer, and carries a wide selection of genuine Dyson replacement parts.
